### Trilithic Welcomes Matt Bessette

---

**Indianapolis, Indiana (Sunday, March 23, 2008)**, Trilithic, Inc is pleased to announce **Matt Bessette** has accepted the position of Major Account Manager in the Broadband Instruments Division. Mr. Bessette began his career in Cable Television more than twenty years ago working for HBO. Matt comes to Trilithic with extensive experience in account management from his years at General Instruments, C-COR, and ADC.

"I am very excited to join Trilithic and work with an industry leading company who puts such a high degree of emphasis on providing the customer with superior products and services. I am pleased to be part of a strong team dedicated to serving our Customers in their business operations and growth."

"Likewise, we are pleased to have Matt on board with Trilithic." Says Tony Shortt, Director of North American Sales. "Matt's vast experience working with major accounts in this industry; his strong emphasis on customer service; and his dedication to creating partnerships with the customer, fit perfectly with our commitments to building relationships with MSO's and maximizing their potential."

---

**ABOUT TRILITHIC:** Trilithic, Inc. is an industry leader providing telecommunications solutions for major Broadband and RF & Microwave markets around the world. Comprised of three major divisions: Broadband Instruments & Systems offers test, analysis and quality management solutions for the major cable television systems around the world. The RF & Microwave Components Division provides various components and custom subsystems for companies specializing in cellular, military and other wireless applications. The E.A.S. Division is a leading supplier of government-mandated Emergency Alert Systems used by HFC service providers in the United States.
